

Welcome at Nikolaihof Wachau

Welcome to the Nikolaihof Wachau wine tavern.

Our cuisine follows the rhythm of nature.

A large part of our ingredients comes from regional organic and Demeter farmers, as well as from our own biodynamic Demeter production. Flowers, herbs, and medicinal plants from our garden not only add special flavor but also promote well-being and vitality.

As a member of Slow Food Austria and the Lower Austrian tavern culture, we stand for conscious enjoyment, regionality, and sustainability.

Information about ingredients in our dishes that may cause allergies or intolerances is available upon request from our service staff.

We kindly ask for your understanding that only one total bill can be issued per table.

Sarters...

To start, we serve our homemade bread, Wachau roll, Nikolaihof Demeter grape seed oil, lentil hummus, bacon, seasonal vegetables and still Grander water. Cover charge per person **5.5**
